

Embassy Addis Ababa Consular Videos

Project Title	Embassy Addis Ababa Consular Videos
Project Summary	Create videos/infogrpahics to clarify the visa process in Ethiopia and other informational videos related to Consular processes.
Country	Ethiopia
Country/Region of Focus	Ethiopia

Project Description

Creating an online video/infographic about the visa process (e.g., how to do fingerprints, how do submit an online application) and other informational videos related to Consular processes. Even if the initial computerized voice is in English, we could add subtitles in various languages later. Ideally, we'd do the video/voice over in Amharic, Somali, Tigrigna, and Oromiffa languages.
